0.5m White Thunderbolt Cable - M/M

StarTech ID: TBOLTMM50CMW

This 0.5m (1.64ft) White Thunderbolt™ cable offers a dependable, high-quality solution for harnessing the speed and power of Thunderbolt technology while combining both data and video into a single high-performance cable.

The TBOLTMM50CMW supports both Thunderbolt 1 (10Gbps) and Thunderbolt 2 (20Gbps) devices. Plus, with bi-directional data transfer capability and support for power delivery (for bus-powered devices), this cable offers the performance needed for optimal connections.

This shorter Thunderbolt cable is perfect for close-range device connections, and provides a portable solution that makes it perfect for carrying as a laptop accessory.

Expertly designed and constructed of only top quality material, this high performance cable is backed by StarTech.com's 2-year Warranty.

Applications

- Connect a Thunderbolt-equipped external drive enclosure or RAID array
- Connect two Thunderbolt-equipped Mac® computers, for Target Disk Mode file transfers
- Connect a Thunderbolt-equipped MacBook Pro® to an iMac®, to use the iMac as the display for the MacBook Pro
